Dear Customer,

In an effort to ensure that the milk processed and packaged at this facility is done so without the use of genetically modified organisms, Clover Farms Dairy has implemented a policy prohibiting the use of synthetic hormones by its producers. In addition, the vitamins used in our production are certified GMO free.

If you have any questions regarding this matter, please call. 610-921-9111.

Sincerely,

*M. Davis* 4-17-08
