Dear Customer,

The lot code for milk and cream products is the sell by date printed on the container at the time of packaging. The lot is identified as one production day. The standard sell by date for these products is 16 days from manufacture unless otherwise specified by the customer.

example: sell by: apr 21

apr = the month

21 = the day

the production day is apr 05... 16 days earlier.

If you have any questions regarding this matter, please call. 610-921-9111.

Sincerely,

Michael Davis
Quality Assurance Manager.
